Hi Dexter,

As discussed over the phone 4 December 2019 and I would like to confirm in writing that Asset Services Tree Management, support the removal of 1x Tuckeroo (Cupaniopsis anacardioides) tree for a new site development at 60 Jamieson St Bulimba ,on the stipulation that Asset Services Arboriculture can re plant 2x trees back on site with a clearance of 3m of any service.

If this is agreed too, the tree will be removed as a Private Works Order, meaning that you will occur the costings for the removal of 1x tree and the canopy offset for the removed tree. (7x 45ltr trees)

Kind Regards

Sean Downes
